

TRIGA-S is a Contract Research Organisation with strong focus on in-vitro diagnostics. Being family-owned means more than just the form of company management. It is also a sign of respectful interaction with each other. Our corporate culture is based on collegiality, respect, flexibility and openness. Long-term planning is part of our strategic orientation. This is how we succeed in further developing our innovative services for the diagnostic industry. Our headquarters is located in Habach, south of Munich.

**We are hiring**

## **Clinical Study Manager (f/m/d), full time position**

### **Your key qualifications**

- PhD in natural sciences or clinical medicine with sound knowledge in biochemistry, immunology, chemistry or biophysics or Master's degree with 5+ years of relevant professional experience
